

Applications for NEEP's Student Mentoring Program at the [2019 NEEP Summit](#) as part of EPRI's Electrification U.S. Symposium: Pathways to Decarbonization in the Northeast are now being accepted.

The event will be held at the New York Marriott Brooklyn Bridge in Brooklyn, New York **August 27-29, 2019.**

The 2019 NEEP Summit as part of EPRI's Electrification Symposium: Pathways to Decarbonization in the Northeast is expected to be a pivotal gathering of over 350 energy industry stakeholders, including high-profile policy leaders, public utility commissioners, environmental regulators, state legislators, state officials, and community leaders as well as public and municipal utility officials, energy service and product providers, consulting firms, product manufacturers, service providers, program administrators, and advocates who are considering the opportunities, trends, and challenges in further reducing the carbon footprint of homes, buildings and transportation.

The Symposium offers limited scholarships for students interested in the mentoring program. Please submit the following application to StudentMentoring@neep.org by June 30, 2019 to be considered. Spots are limited so don't miss this unique opportunity!

Please answer the following questions and email your responses
